

We Celebrate

God, we gather
We celebrate
Father. Spirit and Son
Praising Christ as the crucified,
risen, glorified One:
We live and work in those times before
God's full blessing is known

*Empowered by grace
One church, one faith
Come, lead us Lord
as we journey on.*

Pilgrim people,
We fall, we stray
Yet you nourish our souls
By sacrament and by word we're fed
that we in Christ be made whole
Spirit, gift us with Jesus' heart so
we're not losing our way

*Empowered by grace
One church, one faith
Come, lead us Lord
to tomorrow's day*

Called by God's
reconciling heart
we'll work for justice and peace
strive that barriers come tumbling down
captives find their release
together witness to unity
the gift and will found in Christ

*Empowered by grace
One church, one faith
Come, lead us Lord
Deeper in your Life.*
