ON EARTH IN OUR DAY

**Blessed the one who hungers for peace
Who struggles for freedom
That wars would all cease
Blessed the faithful who live as they pray
For the blessings of heaven on earth in our day**

**In Jesus the promise: divisions no more
No matter our race, gender: one in our Lord
As brothers and sisters may peace be our way
The blessings of heaven on earth in our day**

**Pray that Christ's peace
Would reign in our hearts
As body of Christ, as our end and our start
And live in God's longing
Each moment, we pray:
The blessings of heaven on earth in our day**

**La la la...
As brothers and sisters may peace be our way
The blessings of heaven on earth in our day**
