

Where's Woollie?

Where's Woollie? Where's Woollie?

*I'll love him, find him,
bring him back home.*

*I'll save him, protect him,
I'll love him as my own.*

1. Leaves ninety-nine.

Where's Woollie gone,
the sheep that's gone astray?
When Woollie's found,
you'll hear all around
the shepherd's loud "Hooray!"
(shouted) Hooray!

chorus: Where's Woollie?

2. Boy or girl;

We too lose our way
like careless woolly lambs.
But then we remember God's special love.
We're safe in Jesus hands.

Thanks Jesus! Thanks Jesus!

*You love us, find us,
bring us back home.*

*You save us, protect us,
You love us as your own.*
