I was mad I left loved ones sad.

Chorus Sorry Lord, I've been hurting you,
 Breaking your dear heart in two.
 Take my life and make it new,
 Turn me 'round to you.

1. Angry words left teary traces,
 Hurting lines on tender faces,
 Thoughtless deeds when I was mad,
 I left loved ones sad.
2. Selfish days left others wanting,
 Greedy ways and fortune hunting,
 "Couldn't care" was how I lived,
 Teach me now to give.
3. There were times of mild deceiving,
 Clever lines in double meaning.
 But mostly in the things I do
 I just don't see you.
