

Fruitful Be

Holy Spirit, grow in us
Holy Spirit, flow in us
Holy Spirit, glow in us
We'd fruitful be
That your love would be our love
That your life would be our life
Spirit, grow each one of us
We'd fruitful be

Gift us love and joy and peace
patience, kindness, goodness too
Faithfulness and gentleness
restraint in all we do

Holy Spirit, grow in us
Holy Spirit, flow in us
Holy Spirit, glow in us
We'd fruitful be
That your love would be our love
That your life would be our life
Spirit, grow each one of us
We'd fruitful be
Spirit, grow each one of us
We'd fruitful be
