# Called Together

1. Called together, we've taken the dare,  
to commit to a destiny shared,  
different, diverse we may be,  
but we see God's plan for history:  
a world reconciled and renewed!

*This is God's call,  
this is God's way,  
that we might show the light of God's day,  
divided world, uniting grace,  
we live the signs of Christ in this place.*

2. Called together, this journey we're on  
is the way of the Crucified One.  
Justice and love are our song,  
with those on the edge, we belong,  
declaring God's love is for all!

*This is God's call,  
this is God's way,  
that we might show the light of God's day,  
divided world, uniting grace,  
we live the signs of Christ in this place.*

3. Pilgrim people, the road is our call,  
Spirit led, traveling light, risking all.  
Paths of the past keep us true,  
while fresh words and deeds spring anew  
in worship and witness and care!

*This is God's call,  
this is God's way,  
that we might show the light of God's day,  
divided world, uniting grace,  
we live the signs of Christ in this place.*

*And in God's hands  
our future rests,  
our hope is there in God's faithfulness.  
We live this gift, this blessed road,  
this unity: the household of God!*
