1. Je- sus, Lord of wind and wave, yes, all cre- a- tion in Your power;
2. Like di- sci- ples fear- ing down- ing, so we feel we're go- ing down.
3. Yet our faith can so de- sert us; gaze re- moved from that trust- ing Christ.
4. You are Lord of all cre- a- tion; Lord with love that touch- es souls.
